Notice to Readers

Though the guidelines and procedures contained in this text are based on consultations with healthcare professionals, they should not be considered absolute recommendations. The instructor and readers should follow employer, local, state, and federal guidelines concerning healthcare practices. These guidelines change, and it is the reader’s responsibility to be aware of these changes and of the policies and procedures of her or his healthcare facility.

The publisher, author, editors, and reviewers cannot accept any responsibility for errors or omissions or for any consequences from application of the information in this book and make no warranty, expressed or implied, with respect to the contents of the book. The publisher does not warrant or guarantee any of the products described herein or perform any analysis in connection with any of the product information contained herein.
# Table of Contents
